Comments
Jacob is always willing to help brainstorm and talk through road blocks that you reach. He is very knowledgeable and can quickly understand your questions and give good insights. Also always very positive and encouraging.
Great engagement.
Very helpful in formulating people's thoughts into practical advice for a thesis
He gave me good feedback on my thesis topic so far, and I hope to continue working with him next quarter!
Met with him for 5 minutes and wasn't super helpful but wasn't unhelpful and I didn't ask for much so nothing crazy
